GABRIELLE D.
VETERAN, & DC NATIONAL GUARD
Systems Analyst

The thing I enjoy the most about being a team member at Conceras is how close knit everyone makes you feel. The pandemic made it harder than ever to connect with people, so I love how everyone checks in and lets you know that working here is more than a 9 to 5. **It's like a second family!**

ERIC S.
U.S. NAVY VETERAN
Systems Administrator

I couldn't be any more happy and proud to be a part of Conceras. My transition from military life to being a civilian was easy and stress free with Conceras. From day one, I felt like I was part of the team. The communication, care, and concern from every member made me realize that I didn't just join a team, but instead a work family.
